

Welcome to Condor Pilot
A320 Cadet Pilot Program

1. Welcome

Condor Pilot was born with the aim of provide aeronautical services for professional pilots to assist them getting experience and hours on type, which is a prerequisite for access to most airlines worldwide.

Our current services range from pilot training PPL (A) to ATPL (A), A320 Type Ratings and A320 Line Trainings; we are one of the few companies in the world that can offer training from 0h to contract in an airline.

Our facilities are located in Zaragoza, with two offices:

- Headquarters are in Airport road, 4 Zaragoza (Spain).
- Zaragoza Airport terminal .

We have an extensive staff of Commercial Pilots, Cabin Crew and Administrative Staff, all highly qualified and with several years of experience in the aviation world.

Currently we have dozens of pilots in our programs.

2. A320 Cadet Pilot Program.

You're just one step away from becoming A320 First Officer. Program is divided in 4 phases:

1. ICAO Conversion License to Local License
2. A320 Type Rating, carried out by the same airline.
3. 1000 h as Cadet FO.
4. Renewable contract with the same company as FO.
