**JAR-FCL 4 (Flight Engineers)
Section 1
Subpart A – General Requirements**

JAR-FCL 4.035

003	Swedish CAA	New text : "An applicant under the age of 17 years shall not hold a Class 1 medical certificate	The text gives the impression that there is a possibility to hold a Class 2 medical certificate as a flight engineer.	Rejected, text is more appropriate for JAR-FCL 3 (Medical).
