JAR-145: APPROVED MAINTENANCE ORGANISATIONS

Please find attached a copy of JAR-145 Amendment 7 dated February 2007.

Following the establishment of the European Aviation Safety Agency in September 2003 and the adoption of EASA Implementing Rules (IR), Certification Specifications (CS), and Acceptable Means of Compliance and Guidance Material (AMC) the Joint Aviation Authorities Committee made the decision that in future the JAA would publish amendments to the airworthiness JARs by incorporation of reference to EASA Implementing Rules, AMC and CS. Such publications would have a JAA cover letter with reference to the relevant EASA document, as well as any differences to it agreed by the JAA.

The appended JAR-145 is published following this decision, and replaces your current JAR-145 Amendment 6.
