PRICE: 39.900,00 € (VAT included)

¹ Airline Fees for 1h FFS + Briefing + Test

- 1.000,00 € before starting Airline Assessment phase.
- Option A) 50% once the Airline has approved your application. Remaining 50% once Elite Sky Aviation communicates starting date.
- Option B) 25% once the Airline has approved your application, then 25% each month or each 125 hours accomplished.

OTHER INFORMATION

Should pilots overnight while on duty, the airline pays pilots hotel room, breakfast and transportation expenses.

Pilots are responsible for their living expenses at home base but are assisted in locating convenient housing.

Only pilots whose resumes are approved by airline will receive a training agreement (Interview and Simulator Assessment are completed satisfactorily).

To apply for this program, only pilots with confirmed availability during the selection process and the Line Training Program need to email their CV through our website, www.eliteskyaviation.com, “jobs” lash.

Window of application for this program will close shortly once number of approved resumes is reached.

Due to the volume of interest for this program, No phone call inquiries. Questions via email only.
